

EYES AND EARS

WOW... WHAT A WEEK!

Dear Cast Members:

The hectic holidays are behind us, the hundreds of thousands of Christmas and New Year's guests are back home . . . it's time to take a breather and say "thanks" for a job well done.

Here at Walt Disney World it seems like every year is busier than the year before, and this holiday season was no exception, as records were broken daily throughout our property.

I am very proud of the way you all worked together to meet these tremendous challenges. And, I just want you to know that your extra efforts are greatly appreciated. You gave our guests their best Christmas ever!

Thanks again, and have a great '78.

Best wishes,
Bob Allen

CALL HER BEAUTY AND THE BEAST!

Like a seemingly normal man slowly dissolving into a snarling, hair-covered werewolf under the influence of a full moon on a foggy London street corner, our own **Diane Housam** of the Character Department performs a bit of movie magic herself; as twice-daily she makes-up for the part of an old crone for our **Very Merry Christmas Parade**. We spent some time with her to follow the fascinating steps in changing from beauty to the beast.

No stranger to the world of professional stage make-up, Diane is a theater major at Stetson University, attending her junior year and working in the Character Department as a Casual/Regular hostess. "I don't think there's a better training ground anywhere than right here at Walt Disney World," she told us, as she sat in front of a mirror applying the elaborate face. "It takes about an hour to get ready for the first parade, then I have to turn around and do it again for the evening parade . . . there's no way anyone could wear all this goo for the seven hours between parades!"

Diane applies her own make-up daily in the Wig Room, one of those out-of-the-way rooms deep in the Wardrobe Department beneath Fantasyland. Swarming with people just before any Disney extravaganza, the Wig Room is headquarters for just about any special effect that Entertainment Division wants to create.

The day we visited to photograph Diane, every lighted mirror was crowded with hostesses and hosts applying cherry red dimples to their cheeks, heavy false eyelashes to exaggerate facial expressions, and some of the most extravagant wigs and hair pieces this side of Hollywood!

Cosmetology specialists in the Wig Room scurry about applying a shot of hair spray here and a touch of pancake make-up there. In fact, the Wig Room is so fascinating that **EYES & EARS** has promised to do a special story on the hostesses there in the near future. But first, back to our old crone.

Diane talked us through the steps she must take in her hour-long transformation. First up is to put on an old shirt and pull the hair back into a net. Then it's time to get down to business . . . removing heavy stage make-up can be a chore, so first Diane covers her face with a clear grease. Then comes the base make-up, a general purpose theater pancake of skin tone.

The eye brow pencil is used to draw in heavy wrinkles and black eye liner is applied like a thick ink above both eyes. Red cheek rouge highlights her facial structure.

Her wicked nose (complete with wart and three-inch hairs) and crooked chin are pre-made of a soft,

latex plastic. These are attached and soft putty wax is used to blend in the nose and chin to her real skin. A touch more pancake over the putty for color, and her crone's face is ready for the show!

Next, Diane has to carefully put on her jet black costume, because one touch against the make-up will streak

the cloth. Wrinkles are applied to her hands, a long straw-haired wig is securely fastened on top, and she is ready to go on stage.

Creating fantasy faces in the Wig Room just goes to prove, that beauty is only skin deep . . . if you have an hour or so to spare!

TAX WITHHOLDING INCREASES THIS WEEK

Our Payroll Department informs us that for the tax year 1978, the Federal Social Security (FICA) tax rate will increase from 5.85% to 6.05% and the wage base will increase from \$16,500 to \$17,700. What all this means is that you can expect to see a small increase in the amount of FICA tax withheld from your weekly paycheck, beginning with the week ending December 31, 1977.

Check with the Payroll Department at extension 4724 if you have any questions.

LET'S LET OUR GUESTS PLAY THROUGH

Beginning the second week of January, Walt Disney World and our three golf courses will once again be hosting the Winter PGA Activities Program, an extremely busy period of time for all of our courses. Due to this, employee golfing has been discontinued to allow our guests to "play through" in preparation for next summer's PGA tour. We ask that golfing cast members not make any start time reservations from now through May 1, 1978. After the winter program ends in late April, all three of our courses will resume the popular cast programs.

LETTERS

To The Editor:

This is to express my sincere appreciation to the cast members who stopped and assisted me on the morning of December 15th, when my car flipped over off SR-535.

First, to Bob Allen, who, I am told, called Security and rescue equipment. Also to the person driving a white Honda who drove back to Disney for help, and the man who waited with me until their arrival.

But most of all to the Reedy Creek Fire Department, their paramedics and Disney Security, who were extremely helpful. Without them, I would have most likely been waiting for help for hours.

I hope that I never have to help one of them in similar circumstances. All of this proves to me that the Disney cast is made up of the most courteous, helpful group of people in the world, and that this is not just something that we put on for our guests.

*Thank you,
Benny Archuleta*

EUROPE TRIP THIS SPRING

Beginning Tuesday, January 10, the Disney University will be offering an enlightening course in **Psychology in Business & Industry**, taught by Mr. Noel Johnson.

Psychology in Business & Industry, taught by Mr. Noel Johnson.

This course provides an introduction to the psychology of human behavior as it relates to business situations. Many psychological factors involved in the working environment will be discussed; including leadership, motivation, morale, communications, personnel selection, training and appraisal, and consumer problems.

Mr. Johnson explained that the course is designed to include a great deal of class participation, along with his introduction to many theoretical and practical case studies.

Noel Johnson has been involved in the teaching field for many years. He was previously Director of Training for Southeastern Academy and has taught at Atlantic Union College in Massachusetts. He did his Ph. D. studies in Adult Development Psychology.

Psychology in Business & Industry is a three-credit course offered through Valencia Community College at the Disney University. There are no pre-requisites and it will meet Tuesdays from 6 pm to 9 pm.

For more information on this class or any of the others, please call the **Disney University** at extension 4744.

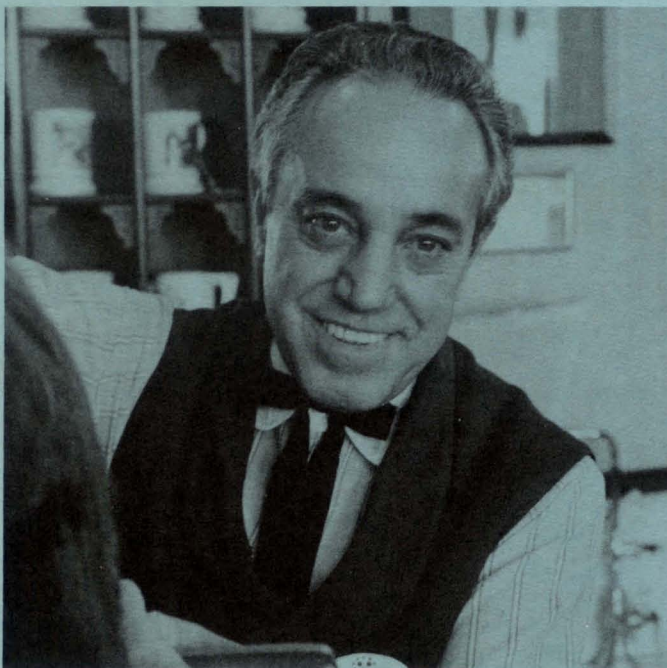

"It Takes People"

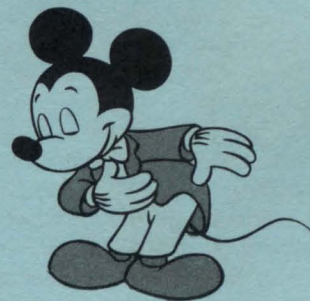

If you need a new Disney ID or perhaps your parking sticker updated, **Maria Musha** just may be the hostess assisting you. Working in the Security ID Office, she probably takes more photographs in one day than you'll click off in a year! Raised in Murfreesboro, North Carolina . . . "no one ever knows where it is" . . . Maria moved with her family to Tarpon Springs, Florida, where she attended school. "I probably visited here 20 times, so it was just natural that I visited the Casting Office when I finished school," she explained. Maria was first hired as a Food & Beverage hostess in the Crystal Palace Restaurant, and just last month transferred to the ID Office. She beamed as she told us that one of her first jobs in the new office was to put together Rock Hudson's pass for a mid-December visit to the Magic Kingdom!

Making her home now in Central Foods, **Evelyn Dyson** certainly has her hands full explaining to friends and relatives what a Senior Inventory Control Clerk does . . . and with an inventory as large and varied as at Central Foods, we're sure that's no easy job! Hailing from Orlando originally, Evelyn and her husband moved to Hartford, Connecticut, where she worked for Pratt & Whitney Aircraft Company inspecting jet engines. "Back in the early 70's, things were building up here . . . but it was the excitement of Walt Disney World that brought us home," she explained. "I began working here in May of 1972 as a cashier in the Polynesian Village's Coral Isle Cafe, then moved to Central Foods in 1974." Evelyn and her husband **Bob Dyson**, a Security host, have one son, now 13-years-old, and a couple of five-year pins between them!

Always ready to "clip you" and throw in a "cutting remark" or two, Main Street barber **Sam Lillo** has never been one to split hairs or get his dandruff up in a hairy situation. A professional barber since he was 19-years-old living in Clifton, New Jersey, Sam migrated south to Orlando when his two children married Floridians and talked him into a visit . . . that's lasted since 1972! "I was contemplating opening my own shop here, then heard about an opening at Walt Disney World . . . one visit to the Main Street Barber Shop was all it took and I was hooked!" Sam estimates that he has cut over 20,000 heads of hair in the more than five-years he has worked out of the Magic Kingdom shop. With a yank on this reporter's ear lobe (his customary method of getting your attention), he went on to say . . . "I've really struck a happy medium here. I get to meet people from all over the world and couldn't possible be in a better atmosphere."

EXCITING SOFTBALL SEASON OPENING JUST FOR YOU!

Cast Activities announced this week the details of our **Winter 1978 Softball season** . . . and we want you!

When you were a kid, how often did you join in a neighborhood game of softball with your friends? Well, things are no different here . . . it's friends and co-workers getting up teams to compete with each other at our softball fields. It doesn't matter how good you are, just that you want to have a good time! And now is your chance to join a team for a little mid-week evening fun before going home.

Who do we want to join this winter's leagues? **YOU** . . . and you can do it with your own **team** or **individually** . . . Cast Activities will match you up with a team to play on! Just attend the upcoming organizational meeting and we'll give you all the details.

The big date is **Tuesday evening, January 24**, at 7 pm in the Cast Activities Lounge, 2nd floor of The Center, when all currently organized teams should have a representative on hand to plan the winter season. And this is also the date for anyone who isn't on a team to drop by. If there isn't room in the existing teams for you . . . then we'll just form new teams!

At Tuesday evening's meeting, rosters will be passed out and your team may select a preference for type of league, time and day that you want to play ball. Currently, plans call for "A" and "AA" leagues to compete in a 14-game season.

WE WANT WOMEN TOO!

And you gals out there . . . don't forget to sign up too! Cast Activities is

looking for female softball players to fill out at least an eight-team Women's League, to compete on Monday evenings. All organized teams should have a representative at the meeting.

The practice games are set to hit the field beginning Monday, January 30, so plan on getting into a league now . . . because we want you!

SPORTS, CLUBS & SPECIAL EVENTS

GIANT MARATHON RACE MEETING THIS MONTH

The first meeting to organize our **2nd Annual St. Patrick's Marathon Run** will be held at Little Lake Bryan at noon on Saturday, January 28. The race itself is scheduled for Saturday, March 18, between employees of local family entertainment centers. More details soon.

BASKETBALL BACK ON COURTS

After a two-week layoff for the holidays, both men's and women's **Winter Basketball** teams will take to the courts at the Pine Hills Boy's Club gym beginning Monday, January 9. With the men playing Monday through Wednesday and the ladies every Thursday evening, all cast members are invited to come out and watch their favorite team in action.

SKIING & RAFTING TRAVEL NIGHT

If you've never been **snow skiing** or **white water rafting** and wonder what these sports are all about, then next Monday evening is made just for you!

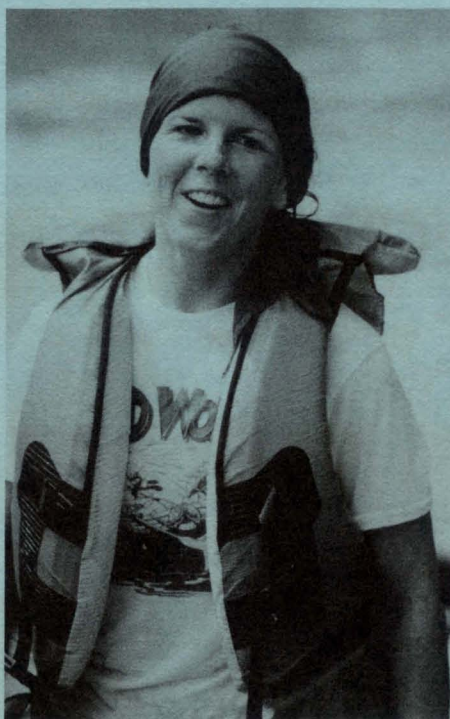

Why? Because the **Snow Skiing Club** is presenting a **Travel Night** featuring movies and slides of the Beech Mountain/Sugar Mountain ski resort area and last summer's white water rafting expedition down the French Broad River in North Carolina!

Already this winter, one trip has skied Beech Mountain . . . but there's another scheduled for mid-February and if demand warrants, we'll add a late February trip. Then the late spring, mid-summer and early fall will be the dates for exciting white water rafting trips down several southern rivers.

Whether you've been on these trips before and want to reminisce with fellow skiers and rafters, or want to see what the sports are like firsthand; plan on being at the Snow Skiing Club's **Travel Night** for sure!

Mark your calendar for our **Travel Night** . . . on Monday evening, **January 16**, at 7 pm at **Rossi's Pizza**, corner of South Orange Blossom Trail and Oak Ridge Road in Orlando. Plan on dropping by for some pizza, beverage, skiing movies and white water rafting pictures and tales! For more information, please call Cast Activities at extension 4254.

TENNIS LADDER STANDINGS

As of last week, here are the positions in our **Tennis Ladder**. If you are a tennis player and would be interested in joining the competition, please call Cast Activities at extension 4254 for details.

In this scene from Sunday evening's "Wonderful World of Disney," Steve Tanner (Don Williams) urges his team onward as his mother (Davey Davison) provides an encouraging word at the start of **The Great Sled Dog Race**. Steve's antics help turn winter's wonderland into a blunderland on the show, airing Sunday at 7 pm on NBC-TV.

Beginning next week, Cast Activities' **Family Film Festival** will be showing an old Disney favorite, *The Miracle of the White Stallions*.

The show times are:

Sunday, Jan. 8-Disney Story, 8 pm
Monday, Jan. 9-Disney Story, 8 pm
Tuesday, Jan. 10-Disney Story, 8 pm
Wednesday, Jan. 11-Disney Story, 8 pm
Thursday, Jan. 12-Disney Story, 8 pm
Friday, Jan. 13-Disney Story, 8 pm

Cast Activities currently has tickets available for the following Central Florida events:

VILLAGE SALE CONTINUES

Now through Thursday, January 12, you can take home pieces from one of Central Florida's most prestigious collections of merchandise at 30% to 50% off their regular prices. The **Village Sale** has begun, offering you the chance to discover lovely selections from almost every shop, to dress up yourself, your family and your home at super savings.

Quantities and selections are limited, but each is at a great savings that becomes even more fantastic when you add your 20% employee discount on top!!! Now that's what we call a sale!

LAKE BRYAN OPENS AGAIN

After closing for our holiday period, **Little Lake Bryan** is again open and operating on a weekend schedule. The facilities will be available for you, your family and guests on Saturdays and Sundays from 11 am till dusk. Come on out and enjoy your lake!

New this year for our Christmas holiday guests, was **Mickey's Magical Christmas Tale**, performed daily in Fantasyland. We stopped by to enjoy the show with hundreds of onlooking youngsters and parents alike, as the Character Department's **Alita Huff** used vivid animation and expressions as she read from her storybook to the audience... her tale of the night before Christmas at Mickey Mouse's house. It seems that Mickey was all set for Christmas, except that his tree didn't have any ornaments. So he wished on a star, and his fairy godmother gave a wave of the wand bringing in all of Mickey's friends to help him decorate his tree. But alas, all good things must come to an end, and so closed the show as the holiday period closed here last weekend.
